Remarks:

Given the fact that I graduated from the College of Education of the Pennsylvania State University, I have completed all of the course requirements for certification in the state of Pennsylvania. Given the fact that I began teaching on the college level immediately following my graduation from Penn State, however, I did not take the necessary steps to obtain a Pennsylvania certificate. As indicated above, I do, however, have ten years of teaching experience.

A copy of my resume and copies of all of my degrees and diploma are hereto attached.
